Bearing Lithium does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that Bearing Lithium has requested brokers and nominees who hold stock in their respective names to furnish the proxy-related materials to their customers, and Bearing Lithium will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically

engaged employees or soliciting agents. The cost of solicitation will be borne by Bearing Lithium. No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies.

If given or made, such information or representations must not be relied upon as having been authorized by Bearing Lithium. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Bearing Lithium has arranged for intermediaries to forward the Meeting materials to beneficial owners of Bearing Lithium Shares (the “**Beneficial Shareholders**”) held of record by those intermediaries. Bearing Lithium has distributed or made available for distribution, copies of the Notice, this Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders held of record by those Intermediaries. Such Intermediaries are required to forward such documents to the Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by Bearing Lithium if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. Bearing Lithium will pay the permitted fees and costs of the Intermediaries for reasonable fees and disbursements incurred in connection with the distribution of these materials.

Bearing Lithium does not intend to pay for Intermediaries to forward to objecting Beneficial Shareholders under NI 54-101 the proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. An objecting Beneficial Shareholder will not receive such materials unless the objecting Beneficial Shareholder’s Intermediary assumes the cost of delivery.

These proxy-related materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your Bearing Lithium Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. On a show of hands, every Shareholder is entitled to one vote for each Bearing Lithium Share that such Shareholder holds on the record date of May 19, 2020 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The list of Registered Shareholders is available for inspection during normal business hours at the offices of Computershare and will be available at the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of Bearing Lithium.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by Bearing Lithium’s registrar and transfer agent, Computershare at their offices located at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, by mail, voted by telephone at 1-866-732-8683, or by voting online at www.investorvote.com, no later than 10:00 am on Tuesday, June 23, 2020, or at least 48 hours (excluding Saturdays, Sundays and

holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. In the absence of such direction, such shares will be voted in the discretion of the person named in the proxy. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this information circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to Bearing Lithium at the address set forth above, at any time up to and including the last Business Day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Bearing Lithium Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Bearing Lithium Shares represented will be voted or withheld from the vote on that matter accordingly. **The Bearing Lithium Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Bearing Lithium Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE BOARD FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the Designated Persons with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of Bearing Lithium is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Bearing Lithium Shares on any matter, the Bearing Lithium Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Beneficial Shareholders who do not hold their shares in their own name should note that only proxies deposited by Shareholders whose names appear on the records of Bearing Lithium as the registered holders of Bearing Lithium Shares can be recognized and acted upon at the Meeting.

If Bearing Lithium Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Bearing Lithium Shares will not be registered in the Shareholder's name on the records of Bearing Lithium. Such Bearing Lithium Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Bearing Lithium Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Bearing Lithium Shares are communicated to the appropriate person well in advance of the Meeting.**

Bearing Lithium does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Bearing Lithium Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to Registered Shareholders by Bearing Lithium. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Bearing Lithium Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Bearing Lithium Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Bearing Lithium Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Bearing Lithium Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Bearing Lithium Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for a Registered Shareholder and vote the Bearing Lithium Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Bearing Lithium Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the proxy well in advance of the Meeting to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent).

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his, her or its Bearing Lithium Shares.

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of Bearing Lithium for the ensuing year at five (5). The number of directors will be approved if the affirmative vote of the majority of Bearing Lithium Shares present or represented by proxy at the Meeting and entitled to vote, are voted in favour to set the number of directors at five (5).

Management recommends the approval of the resolution to set the number of directors of Bearing Lithium at five (5).

Ethical Business Conduct

The Board has adopted a Code of Business Ethics and Conduct (the “**Code**”) applicable to all of its directors, officers and employees, including the CEO, the CFO and other persons performing financial reporting functions. SCHEDULE "A"
AUDIT COMMITTEE CHARTER

CHARTER FOR THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS
BEARING LITHIUM CORP.

The following Audit Committee Charter was adopted by the Audit Committee of the Board of Directors and the Board of Directors of BEARING LITHIUM CORP. (the "Company"):

Mandate

The primary function of the audit committee (the "Committee") is to assist the Company's Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of a minimum three directors as determined by the Board of Directors. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 52-110), then all of the members of the Committee shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 52-110), then all members of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

- (e) recommend to the Company's Board of Directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;
- (f) recommend to the Company's Board of Directors the compensation to be paid to the external auditors;
- (g) at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;
- (h) review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company;
- (i) review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements; and
- (j) review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The preapproval requirement is waived with respect to the provision of non-audit services if:
 - i. the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,
 - ii. such services were not recognized by the Company at the time of the engagement to be non-audit services, and

- iii. such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.

3.2 The Board may, from time to time, adopt such rules and regulations for administering the Plan as it may deem proper and in the best interests of the Company and may, subject to applicable law, delegate its powers hereunder to administer the Plan to a committee of the Board (the **“Committee”**). The Committee shall be comprised of two or more members of the Board who shall serve at the pleasure of the Board. Vacancies occurring on the Committee shall be filled by the Board.

3.3 The Committee (or the Board where the Committee has not been constituted) shall have the power to delegate to any member of the Board or officer so designated (the **“Administrator”**), the power to determine which Participants are to be granted Options and to grant such Options, the number of Common Shares purchasable under each Option, the Option Price and the time or times when and the manner in which Options are exercisable, and the Administrator shall make such determinations in accordance with the provisions of this Plan and with applicable securities and stock exchange regulatory requirements, subject to final approval by the Committee or Board.

4. Granting of Option

4.1 Participants may be granted Options from time to time. The grant of Options will be subject to the conditions contained herein and may be subject to additional conditions determined by the Board from time to time. Each Option granted hereunder shall be evidenced by an agreement in writing, signed on behalf of the Company and by the Participant, in such form as the Board shall approve from time to time. Each such agreement shall recite that it is subject to the provisions of this Plan.

4.2 The aggregate number of Common Shares of the Company allocated and made available to be granted to Participants under the Plan shall not exceed 10% of the issued and outstanding Common Shares of the Company as at the date of grant (on a non-diluted basis). Any issuance of Common Shares from treasury pursuant to the exercise of Options shall automatically replenish the number of Common Shares available for Option grants under

the Plan. Common Shares in respect of which Options are cancelled or not exercised prior to expiry, for any reason, shall be available for subsequent Option grants under the Plan. No fractional shares may be purchased or issued hereunder.

4.3 The Company shall at all times, during the term of the Plan, reserve and keep available such number of Common Shares as will be sufficient to satisfy the requirements of the Plan.

4.4 Any grant of Options under the Plan shall be subject to the following restrictions:

- (a) the aggregate number of Common Shares reserved for issuance pursuant to Options granted to any one Participant, other than a Consultant, in any 12 month period may not exceed 5% of the Company's total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;
- (b) the aggregate number of Common Shares issuable pursuant to Options granted to Insiders pursuant to the Plan and other security based compensation arrangements may not exceed 10% of the Company's total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;

- (e) no more than an aggregate of 2% of the total issued and outstanding Common Shares at the time of grant may be granted to all persons engaged to conduct Investor Relations Activities in any 12-month period.

4.5 All Options granted pursuant to this Plan shall be subject to rules and policies of the Exchange and any other regulatory body having jurisdiction.

5. Option Price

5.1 Subject to applicable Exchange approval, the Option Price shall be fixed by the Board at the time the Option is granted to a Participant. In no event shall the price be less than the Discounted Market Price (as defined in the policies of the Exchange). If a press release fixing the price is not issued, the Discounted Market Price is the closing price per Common Share on the Exchange on the last trading day preceding the date of grant on which there was a closing price (less the applicable discount) or, if the Common Shares are not listed on any stock exchange, a price determined by the Board; provided that, if the Board, in its sole discretion, determines that the closing price on the last trading day preceding the date of grant would not be representative of the market price of the Common Shares, then the Board may base the price on the greater of the closing price and the weighted average price per share for the Common Shares for five (5) consecutive trading days ending on the last trading day preceding the date of grant on which there was a closing price on the Exchange. The weighted average price shall be determined by dividing the aggregate sale price of all Common Shares sold on the Exchange during the said five (5) consecutive trading days, by the total number of Common Shares so sold.

5.2 Once the Option Price has been determined by the Board, accepted by the Exchange and the Option has been granted, if the Optionee is an Insider, the Option Price may only be reduced if disinterested shareholder approval is obtained; provided that such disinterested shareholder approval is then a requirement of the Exchange or other regulatory body having jurisdiction.

6. Term of Option

6.1 The term of the Option shall be a period of time fixed by the Board, not to exceed ten years from the date of grant. Unless the Board determines otherwise, Options shall be exercisable in whole or in part at any time during this period in accordance with such vesting provisions, conditions or limitations (including applicable hold periods) as are herein contained or as the Board may from time to time impose, or as may be required by the Exchange or under applicable securities law.

6.2 Each Option and all rights thereunder shall be expressed to expire at the Expiry Time, but shall be subject to earlier termination in accordance with Section 11 hereof.

6.3 Subject to any specific requirements of the Exchange, the Board shall determine the vesting period or periods within the Option term, during which a Participant may exercise an Option or a portion thereof.

6.4 In addition to any resale restriction under securities laws, an Option may be subject to a four month Exchange hold period commencing on the date the Option is granted.

6.5 Except in the case of a Participant's Option that terminates pursuant to Section 11.3 below, in the event that the term of any Option expires within or immediately following a "blackout period" imposed by the Company, the Option shall expire on the date (the "**Blackout Expiration Date**") that is ten Business Days following the end of such blackout period. The Blackout Expiration Date shall not be subject to the discretion of the Board.

7. Exercise of Option

7.1 Subject to the provisions of the Plan and the terms of any stock option agreement, an Option or a portion thereof may be exercised, from time to time, by delivery of the Exercise Notice to the Company's principal office in Toronto, Ontario. The Exercise Notice shall state the intention of the Participant or the Participant's legal personal representative to exercise the said Option or a portion thereof and specify the number of Common Shares in respect of which the Option is then being exercised, and shall be accompanied by the full purchase price of the Common Shares which are the subject of the exercise. Such Exercise Notice shall contain the Participant's undertaking to comply, to the satisfaction of the Company, with all applicable requirements of the Exchange and any applicable regulatory authorities.

8. Adjustments in Shares

8.1 If the outstanding shares of the Company are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through a re-organization, plan of arrangement, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board, in its discretion, in the number or kind of shares optioned and the exercise price per share with respect to: (a) previously granted and unexercised Options or portions thereof; and (b) Options which may be granted subsequent to any such change in the Company's capital.

8.2 Determinations by the Board as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. The Company shall not be obligated to issue fractional securities in satisfaction of any of its obligations hereunder.

9. Accelerated Vesting

9.1 In the event that certain events such as a liquidation or dissolution of the Company or a re-organization, plan of arrangement, merger or consolidation of the Company with one or more Company's, as a result of which the Company is not the surviving corporation, or the sale by the Company of all or substantially all of the property and assets of the Company to another Company prior to the Expiry Time, are proposed or contemplated, the Board may, notwithstanding the terms of this Plan or any stock option agreements issued hereunder, exercise its discretion, by way of resolution, to permit accelerated vesting of Options on such terms as the Board sees fit at that time. If the Board, in its sole discretion, determines that the Common Shares subject to any Option granted hereunder shall vest on an accelerated basis, all Participants entitled to exercise an unexercised portion of Options then outstanding shall have the right at such time, upon written notice being given by the Company, to exercise such

Options to the extent specified and permitted by the Board and within the time period specified by the Board, which shall not extend past the Expiry Time.

9.2 An Option may provide that whenever the Company's shareholders receive a Take-Over Bid and the Company supports this bid, pursuant to which the "offeror" would, as a result of such Take-Over Bid being successful, beneficially own in excess of 50% of the outstanding Common Shares, the Participant may exercise the Acceleration Right. The Acceleration Right shall commence on the date of the mailing of the Board circular recommending acceptance of the Take-Over Bid and end on the earlier of:

- (a) the Expiry Time; and
- (b) (i) in the event the Take-Over Bid is unsuccessful, the expiry date of the Take-Over Bid; and (ii) in the event the Take-Over Bid is successful, the tenth (10th) day following the expiry date of the Take-Over Bid.

9.3 At the time of the termination of the Acceleration Right, the original vesting terms of the Options shall be reinstated with respect to the Common Shares issuable thereunder which were not acquired by the holders of such Options pursuant to the terms thereof. Notwithstanding the foregoing, the Acceleration Right may be extended for such longer period as the Board may resolve.

10. Decisions of the Board

All decisions and interpretations of the Board respecting the Plan or Options granted thereunder shall be conclusive and binding on the Company and the Participants and their respective legal personal representatives and on all directors, officers, employees and consultants of the Company who are eligible to participate under the Plan.

11. Ceasing to be a Director, Officer, Employee or Consultant

11.1 Subject to the terms of the applicable stock option agreements and subject to Section 11.4 hereof, in the event of the Participant ceasing to be a director, officer, employee or consultant of the Company or a Subsidiary for any reason other than death, including the resignation or retirement of the Participant or the termination by the Company or a Subsidiary of the employment of the Participant, prior to the Expiry Time, such Option (including an Option held by a Participant's Personal Holding Company) may be exercised as to such Common Shares in respect of which the Option has not previously been exercised (and as the Participant would have been entitled to exercise) at any time up to and including (but not after) the earlier of: (a) the Expiry Time; and (b) a date that is ninety (90) days (or such other period as may be determined by the Board, provided that such period is not more than one year) following the effective date of such resignation or retirement or a date that is ninety (90) days (or such other period as may be determined by the Board, provided that such period is not more than one year) following the date notice of termination of employment is given by the Company or a Subsidiary, whether such termination is with or without reasonable notice, and subject to such shorter period as may be otherwise specified in the stock option agreement, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.2 In consideration of the Option hereby granted, in the event of the resignation or retirement of the Participant or the termination of employment by the Company without cause, the Participant hereby covenants not to sue the Company for damages arising from the loss of rights granted hereunder and releases the Company from any damages.

11.3 Notwithstanding the foregoing, in the event of termination for cause, such Option (including an Option held by a Participant's Personal Holding Company) shall expire and terminate immediately at the time of delivery of notice of termination of employment for cause to the Participant by the Company or a Subsidiary and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised.

11.4 In the event of the death of a Participant on or prior to the Expiry Time, such Option (including an Option held by a Participant's Personal Holding Company) may be exercised as to such of the Common Shares in respect of which such Option has not previously been exercised (and as the Participant would have been entitled to

purchase), by the legal personal representatives of the Participant at any time up to and including (but not after) a date one (1) year from the date of death of the Participant, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.5 Options shall not be affected by any change of employment of the Participant where the Participant continues to be employed by the Company or any of its Subsidiaries.

12. Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or to the extent, if any, permitted by the Exchange.

13. Amendment or Discontinuance of Plan

13.1 (a) The approval of the Board and the requisite approval from the Exchange and the shareholders or the disinterested shareholders, as required pursuant to the policies of the Exchange, shall be required for any of the following amendments to be made to the Plan:

- (i) any increase to the fixed maximum percentage of Common Shares issuable under the Plan;
- (ii) a reduction in the exercise price or purchase price of an Option (other than for standard anti-dilution purposes) held by or benefiting an Insider (note, this amendment requires approval of the disinterested shareholders);
- (iii) an increase in the maximum number of Common Shares that may be issued to Insiders within any one year period or that are issuable to Insiders at any time (note, this amendment requires approval of the disinterested shareholders);
- (iv) an extension of the term of an Option held by or benefiting an Insider;
- (v) any change to the definition of "Participants" which would have the potential of broadening or increasing Insider participation;
- (vi) the addition of any form of financial assistance;
- (vii) any amendment to a financial assistance provision which is more favourable to Participants;
- (viii) the addition of a deferred or restricted share unit or any other provision which results in Participants receiving securities while no cash consideration is received by the Company; and
- (ix) any other amendments that may lead to significant or unreasonable dilution in the Company's outstanding securities or may provide additional benefits to Participants, especially Insiders, at the expense of the Company and its existing shareholders.

(b) The Board may, without shareholder approval but subject to receipt of requisite approval as required by the Exchange, in its sole discretion make all other amendments to the Plan that are not of the type contemplated in Subsection 13.1(a) above including, without limitation:

- (i) amendments of a housekeeping nature;
- (ii) a change to the vesting provisions of an Option or the Plan; and
- (iii) a change to the termination provisions of an Option or the Plan which does not entail an extension beyond the original expiry date, except as contemplated in Section 6.5 above.

14. Participants' Rights

14.1 A Participant shall not have any rights as a shareholder of the Company until the issuance of a certificate for Common Shares upon the exercise of an Option or a portion thereof, and then only with respect to the Common Shares represented by such certificate or certificates.

14.2 Nothing in the Plan or any Option shall confer upon any Participant any rights to continue in the employ of the Company or any Subsidiary or affect in any way the right of the Company or any such Subsidiary to terminate the employment of the Participant at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Company or any such Subsidiary to extend the employment of any Participant beyond the time such Participant would normally retire pursuant to the provisions of any present or future retirement plan of the Company or any Subsidiary, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Company or any Subsidiary.

15. Approvals

15.1 The Plan shall be subject, if applicable, to the approval of the Exchange or other regulatory body having jurisdiction at that time and, if so required thereby, to the approval of the shareholders of the Company.

15.2 Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless such approval and acceptance is given.

16. Government Regulation

16.1 The Company's obligation to issue and deliver Common Shares under any Option is subject to:

- (a) the satisfaction of all requirements under applicable securities laws in respect thereof and obtaining all regulatory approvals as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and
- (c) the receipt from the Participant of such representations, warranties, agreements and undertakings as to future dealings in such Common Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

16.2 In this regard, the Company shall take all reasonable steps to obtain such approvals and registrations as may be necessary for the issuance of such Common Shares and for the listing of such Common Shares on the Exchange, in compliance with applicable securities laws. If any shares cannot be issued to any Participant for whatever reason, the obligation of the Company to issue such shares shall terminate and the Option Price paid to the Company will be returned to the Participant.

17. Costs

The Company shall pay all costs of administering the Plan.

18. Interpretation

This Plan shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

19. Compliance with Applicable Law

If any provision of the Plan or any Option contravenes any law or any order, policy, bylaw or regulation of any regulatory body or the Exchange, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
